

# Luciano Charles

SOFTWARE ENGINEER

## TECHNICAL SKILLS

- I am a well driven, passionate, creative problem solver who generally welcomes a challenge, I am resourceful and am really good at finding a way to make things work, I've been working on computers for so long that I still own the installation files of Windows 95 on a floppy disk, I am looking for a career to call home where I can make an impact and be a vital part of the workforce.

- MASCOT FOR OROS**  
**THE RAND EASTER SHOW** 2011  
I was the mascot to promote the Oros juice brand at the Rand Easter Show, this was my first job.
  - GRAPHIC DESIGNER**  
**DUETONE PRINT** 2013 - 2014  
My duties included designing print ready designs for posters, pamphlets and business cards as well as making sure they were delivered to the correct places. I was also in charge of creating the CMYK plates for printing as well as meeting with clients to brainstorm and advise on upcoming designs
  - GRAPHIC DESIGNER**  
**CUT2BLACK MEDIA** 2016 - 2017  
My duties included creating print ready designs for layouts such as posters, pamphlets and brochures as well as creating print ready files for delivery and sending it to the respective companies. Creating content for use online, creating mockups for possible themes and basic look and feel concepts for social media as well as mock up web pages, creating presentations as well as mockups to be used in presentations. Meeting with clients and getting specifications on the desired designs as well as joining brain storming sessions to help get the best possible version of the client's vision. Creating hand-drawn artwork on walls for functions for promotional purposes. Creating corporate identities as well as creating designs based on existing corporate identities as well as creating artwork from the idea and concept phase down to the finished product.
  - GRAPHIC DESIGNER/EDITOR**  
**NETFLORIST** 2018 - 2020  
My duties included working on Illustrator to create personalized print ready artwork as well as operating the Trotec engraver, Brother printing machines, Mamaki Vinyl machines, Mamaki Sublimation as well as the embroidery machines.
  - TATTOO ARTIST**  
**METSU INK** 2018 - ongoing  
I have been running my own tattoo store over the weekend at the weekend market
